Examiner Beisner:

Please enter the following on the record in support of a Response to the above-named Notice of Non-Compliance. The Examiner has indicated that the status identifiers for some claims are not proper. In particular, Claim 113 has maintained its previous marked-up version and is improperly identified as 'Currently Amended'. The Applicants have made this correction and removed the colon from some of the status identifiers. For the Examiner's convenience the Applicants resubmit the previous response without alteration.

On page two of this communication please find a status of all claims with instructions for entry pursuant to 37 CFR § 1.21.
